Biography

James has worked at Bristol Dental School since 2013, and as the School Manager is responsible for the administration teams and business management within the School.

Graduating with a BA(Hons) Politics and International Relations from Lancaster University he went on to gain an MSc in Management from Lancaster University Management School. After this, he joined the NHS Graduate Management Training Scheme and undertook two years of intensive training across Acute Hospitals and Mental Health Trusts. More recently he held the role of Performance & Operations Manager for Bristol Dental Hospital covering all dental specialties, maxillofacial surgery and ENT services in St Michael's Hospital. Whilst working for the NHS James gained an MSc in Health & Public Leadership.
