**Biography**

Tommaso Cappello received the Laurea degree (cum laude) in electrical engineering and the Ph.D. degree from the University of Bologna, Italy, in 2013 and 2017, respectively. Since 2020, he is a Lecturer in Electrical and Communication engineering at the University of Bristol, UK. Between 2017 and 2019, he was a Post-Doctoral Research Associate with the Microwave and RF Research Group at the University of Colorado Boulder, CO, USA. His current research interests include RF and power electronics and digital signal processing techniques for high-efficiency transmitter applications.
