Summary

Biography

I am an NIHR doctoral research fellow in neuro-ophthalmic epidemiology.

I am also an ophthalmic surgical registrar in the Severn deanery.

My research interest is ophthalmic epidemiology.

Activities / Findings

Developmental coordination disorder is associated with difficulties in fusing images and with an increased risk of squint.

Keywords

- Ophthalmology
- epidemiology
- paediatrics
- neuro-developmental
- strabismus
- amblyopia
- down syndrome
