Biography

Kate joined the University in 2014, working in postgraduate student administration at the Bristol Dental School. Kate now supports the Temple Quarter Programme within Strategic Programmes and Projects, joining in June 2019.

Prior to working at the University Kate spent 8 years at the Office for Students (OfS) working on the administration of expert panel members during the RAE2008 and then as Administration Manager for the REF2014. Following this Kate worked at the Environment Agency in both the Market Research and Project Management.
